

NHVTA Approved Continuing Education Providers

Continuing Education (CE) programs used to meet requirements for veterinary technician certification renewal must be approved by the New Hampshire Veterinary Technician Association. Programs must pertain to veterinary medicine and be scientific in nature. Credits may be obtained via online or traditional seminars or a combination of both.

The following organizations have been designated by the NHVTA as approved providers for continuing education credits. If you do not see an organization you are planning on receiving CE credits from please contact the NHVTA.

Society of Veterinary Behavior Technicians
The American Association of Equine Veterinary Technicians (AAEVT)

Behavior and Training Seminars

The NHVTA has approved several behavior seminars for CEUs. The NHVTA will award (1) CEU credit for each hour of a behavior seminar attended, for the organizations that have been approved. You must have received a signed and dated, certificate of attendance for the seminar and enclosed a copy of it with your application for CVT renewal, in order for CEUs to be awarded.
